

Restaurant Night

Wednesday, October 23

Don't feel like cooking?

Then come on out to McAlister's Deli in Eastwood Towne Center on Wednesday October 23 and support your local East Lansing 12U Baseball Club!

This is the first of several fundraising opportunities for the 12-year-old and under team as they embark on the Road to Cooperstown, New York, home of the National Baseball Hall of Fame. All funds raised will help pay for jerseys, bunkhouse lodging, and meals for the weeklong tournament in July, 2020 against teams from across the country.

Just bring this flyer or mention EL Baseball at the restaurant between 5-8pm and a portion of the night's profit will go directly to the team.

Ball players will be on hand and in uniform to answer questions and help serve you throughout the evening.

See you there!!

More tournament information and future fundraising events will be available on our Team Facebook Page: <http://bit.ly/ELBC-2020-Cooperstown>
East Lansing Baseball Club is a 501(c)(3) organization.
